Concert Information

There are several major concert performances throughout the school year, all of which are considered “co-curricular” or home concerts and count as a grade. Concerts count as 20% of a student’s overall grade. Therefore, missing one concert can lower a student’s grade a great deal. The dates of each concert are given well in advance to ensure that each student can make arrangements to be in attendance. The concert dates above that appear in **Large, Underlined, Bold Print** are required for all choir students.

Work and transportation are NOT acceptable excuses for missing a concert. Any school conflicts with a concert date need to be discussed with the choir directors. Illness can only be excused with a doctor’s note.
